

Dear President,

Dear Members of the Government,

Dear Members of Tibetan Parliament in Exile,

Dear Tibetan people,

We, the members of the Czech Parliamentary Support Group for Tibet, marking the 61st anniversary of the Tibetan National Uprising Day, declare our unrelenting support to the Central Tibetan Administration, Tibetan Parliament in exile and all Tibetan people living inside and outside of China occupied Tibet.

The support group for Tibet in the Czech Parliament, having 53 members from 8 political groups in both chambers, was reinstated - in October 2018. We commit ourselves in carrying the legacy of the first president of the Czech Republic, who has officially invited His Holiness the great 14th Dalai Lama to Prague in 1990, as the very first statesman. It was our pleasure to welcome President Dr. Lobsang Sangay in the Chamber of Deputies and in the Senate of the Parliament of the Czech Republic as well as at Prague City Hall.

We appreciate our very close relationship and express our deep admiration to His Holiness the great 14th Dalai Lama for his dedication and life-long activities that continue to connect and inspire people across the world, and for being a strong advocate and sending his clear message in the area of human rights. We hope our extraordinary relationship will continue to deepen as we stand together in the pursuit of world-wide justice and freedom.
